STEM/Engineering & Construction Camps

SAME / U.S. Navy Engineering & Construction Camp
July 18-24, 2027 | Port Hueneme, CA

Build. Create. Lead.

Looking to engage in hands-on learning and fun? Spend a week building skills, exploring STEM careers, and tackling hands-on engineering challenges with expert mentors.

Camp Highlights:

- Hands on building and construction projects
- Construct and race cardboard boats
- Work alongside engineers, military leaders, and industry professionals
- Overnight camp with lodging and meals included

Ready for the challenge?

- 40 high school students will earn a spot at this one-of-a-kind STEM camp!

Ready for the Challenge? Learn more!
Application Deadline: March 10, 2027!

NOTE: Rising Juniors and Seniors will be given first preference in the selection process, but we still encourage rising Sophomores to apply.

MISSION: POSSIBLE!
STEM Futures Start Here.
STEM/Engineering & Construction Camps

Application Criteria

- Must be at least 15 years of age before the first day of camp to apply; rising sophomore, junior, or senior.
- On a track that will provide a basis for attending an accredited engineering college or university (such as taking appropriate STEM courses).
- Minimum GPA of 3.2
- Demonstrated leadership characteristics through participation in extracurricular activities, sports, and/or community activities.
- Physically fit.
- U.S. Citizen and able to provide proof of medical insurance.

Costs & Registration

- Registration fee for the camp is $800. This includes lodging, meals, materials, instruction, and mentoring. Campers are selected by SAME Posts from around the country, which often provide offsetting financial support toward camp tuition.
- Once selected, campers must submit half the registration fee to hold their spot.
- Sponsorships for the other half of the amount (or more) may be available from the Posts.
